## GRAFTON DOWNS FAIRMONT TEAM IN HARD FIGHT

Colebank Juggles Pitchers During Contest With Ice's Outfit.

By LARRY  
Jasper Colebank should be with the circus. He's the best juggler who has been in a long time. It was his ability along this line yesterday that enabled Grafton High School to defeat the Ice men 11 to 7 and yet allow Jasper to have one of his best hurriers in good shape for a game today.

Jasper started out with a lean and hungry looking southpaw on the hill. His name was Leach. He stuck around for a little over two innings, and then was retired by a volley of base hits. Warne then went to the mound from third base. He pitched awhile and Grafton got a commanding lead. Wanting to save Warne for today, Jasper put Hall on the hill. He got along so-so until the ninth, when Fairmont filled the bases after scoring a run and only one man retired. Here Warne went back in the game. He pitched every inning, grabbed a hot liner and made a double play at third base unassisted, when Michaels made a blind dash for the plate when the ball was hit. This ended the game and the juggling match.

The game was interesting despite the large score and there was plenty of excitement. Fairmont fielded raggedly, which offset some good hitting by the Ice men.

Three hits, three errors and a sacrifice fly brought the Grafton tribe three runs in the first frame. They added another in the third when Hall knocked the ball into the tennis court for a home run.

The Ice men braced in the third and grabbed off three markers. Five clean hits turned the trick. "Grafton added one more in the fourth inning, except the ninth, Fairmont scored one in the sixth and two in the eighth. When the last of the ninth came around, Fairmont was behind 11 to 6.

Gainer singled. Criss was caught high fly to left. Michaels and Lafferty singled. Gainer scoring. Sloan walked filling the bases. Warne went to the mound, taking Hall's place. Putnam lined to Warne. Michaels made a mad dash for the plate when the ball was hit and Warne walked over to third and touched the bag for the third out, ending the game. Lineup and summary:

Winning pitcher—Warne. Umpire—Toothman.

Notes on the Game.  
Grafton fielded well.

Colebank displayed his good sportsmanship again yesterday. There was a close play against Grafton at first base. One of the Grafton rooters sitting on the bench let out a yell at the umpire. Jasper gave him to understand that the umpire was running the game, and told him to keep quiet or get off the field.

Toothman had some hard decisions yesterday and he did not miss any.

Frank Ice told Colebank he would wallop him in the football game next fall.

The first basemen were busy. Criss had fourteen put outs and Hefner only one less.

Michaels had a good day at short. He made two errors, but he had nine assists and two put outs. Not bad for a man who plays first base regularly.

Reed made two bad blunders in center field, but he hit well.

Lafferty got in a trap between third and home in the eighth, but escaped after a long race.

Davis made a leaping catch of a line drive at second in the first inning that cut off a run. Michaels

made a like catch for Fairmont a little later.

Pierce tried to jump over the fence to get Hall's long drive to left that went for a home run.

Davis had a sore arm. He made two wild pegs, and was forced to retire before the game was over. Colebank gave him an alcohol rub.

The Grafton team is a member of the City League at Grafton. Coach Colebank catches for them in the league games.

Tomorrow's game with East Side will about complete the schedule for the Ice men.

## GREB WANTS TO BOX CARPENTIER

Pittsburgh Bear Cat Ready for Champion After Defeating Tunney.

NEW YORK, May 24.—Harry Greb, variously known in fistic circles as the "Pittsburgh bear cat," "the wild cat" and the "windmill" today is holder of the American light heavy-weight title as a result of his victory last night in fifteen rounds with Gene Tunney of this city. Now Harry wants to meet George Carpentier for the world title.

Greb started against Tunney in his usual whirlwind fashion and muzzed up the New Yorker's countenance with sharp hooks and long swings before the contest was many rounds old. Greb opened a cut on Tunney's nose and cut both his eyes. They Tunney displayed some of the courage that carried him to fistic titular honors in the American Expeditionary Forces in France.

It has been reported that Carpentier will come to this country this year to defend his world light heavyweight title against any man selected. Greb, after his victory of last night, expressed willingness to meet Carpentier at any time.

'Varsity Club to Hold Big Banquet

MORGANTOWN, May 24.—Covers will be laid for approximately 100 guests when the West Virginia University Varsity Club, composed entirely of Mountaineer letter-men, holds its first annual banquet here tomorrow night. At the present time the active membership of the club numbers fifty men, all of whom will be in attendance at tomorrow's gathering. In addition to the wearers of the "W. V." who are now in school no less than thirty former letter-men who are now residents of Morgantown have been invited as guests. Other guests will be the athletic board and the coaches now in Morgantown.

The West Virginia Varsity Club was organized several months ago and from the start has been exceptionally active in various affairs. Tomorrow's banquet is the first affair of its kind to be held, the gatherings heretofore having been confined to meetings.

At 6:30 o'clock the members of the club and their guests will assemble in a local restaurant and the affair will get underway immediately. Speeches will be made by Prof. Morris for the faculty; C. E. Hodges for the alumni; Nate Cartmell, coach of the track team; Ira E. Rodgers, baseball coach; Captain H. L. Mummala, coach of the tennis team; R. E. Dayton, wrestling coach and Russ Meredith, Doug Bowers, Charlie Pitsenberger, Ed Coffman, Rufus Lazzell and Homer Martin, West Virginia's sport captains.

Arrangements for the banquet have been completed by the committee in charge and from indications the gathering will be one of the most successful of its kind ever held here.

# Icemen Tackle East Side Team Tomorrow

## FINAL CONTEST BETWEEN TEAMS FOR THIS YEAR

Game Means Little as City Championship Has Been Decided Already.

Fairmont High school and East Side high school will have their final athletic clash of the school year at South Side Park tomorrow afternoon when the third of a three-game baseball series will be staged.

The Icemen took the first two games and the city championship in rather easy fashion, but the East Side folk hope to win the third game tomorrow, just to show they can beat some other team than the alumni. Criss, and Steady will likely be the pitching selections. Criss said last night that he thought he would be able to go on the mound Friday. He has been suffering with a lame ankle for the last two weeks.

The game booked at South Side Park today between the American Legion team of Worthington and the Normal School has been postponed, because the Normal left today for a two games series with Salem College at Salem.

Saturday afternoon the Monongah Glass team will clash with the Normal School nine at South Side Park.

The Normal defeated the Owens team in a twilight game at South Side Park last night 14 to 7, the game being called on account of darkness at the end of the first half of the eighth. The Normal made seven runs in the seventh. Hunt pitched a steady game but had ragged support.

POLISH MINISTER PELTED WITH EGGS

VIENNA, May 28.—The Polish foreign minister, Constantine Skirmunt, was pelted with rotten eggs here last night as he was going into a dinner he had arranged for the foreign press. His face was bruised and his clothes ruined by the attack.

Three of the miscreants, who proved to be former Ukrainian officers, were arrested. They gave as their reason that they wished to avenge the Ukraine for Polish oppression.

GOVERNOR GENERAL REPORTED SAFE NOW

MANILA, May 24.—(By The Associated Press.)—Leonard Wood, governor general of the Philippines, is safe after being missing thirty six hours in the yacht Apo following a typhoon, according to word received here early today.

The yacht was reported to have taken refuge on an island near Mindoro, where the governor accompanied by his wife and daughter, had gone Saturday on an inspection trip.

Since the typhoon keen anxiety had been felt for the safety of General Wood and his family. The Apo is a small yacht and vessels generally in the vicinity of the island of Mindoro were driven helplessly before the storm. For two days efforts to reach the Apo were unavailing.

READY FOR BIG DIAMOND GAMES

Kingmont and Monongah Club Play Two Games Next Tuesday at Park.

The Kingmont manager reports to the Monongah Glass manager that his team is ready for the big double-header that is to be staged between these two teams on Memorial Day, one starting at 10:30 a. m. and the other will start at 3:30 p. m. The Kingmont team will be loaded for the battles and will bring to this city on Decoration Day one of the fastest teams that has been seen in action at South Side Park for some time. Welch, the mainstay of the pitching staff, will work the first game. The local fans should not miss this as Welch is rated as one of the best pitchers in this section. Just who will pitch the afternoon contest is not known yet, but the Kingmont manager says that he has a line on two good pitchers for this game.

Burns to Start.  
Charley Burns, the "Ace" of the Glassies' pitching department will be started in the morning game. Manager List made this known last night as he is figuring on taking the morning game and get the jump on the visitors. With Burns on the mound for the Glassies and Welch for the Kingmont team this game will be a real pitchers' battle between two of the best in the state.

On the mound for the Glassies in the afternoon contest. As both are good pitchers the local fans that attend the afternoon battle will also get to see some wonderful twirling. The same lineup that started against Ida May will be used by the Glassies for both games.

Dodge Free.  
The Dodge automobile that is to be given free at the afternoon game will no doubt attract a large crowd. Already there has been 1,000 tickets sold for the two games and this number is steadily increasing. Saturday afternoon will be the last day of the advance sale and tickets that include the free chance on the automobile will be taken up and the general admission tickets placed on sale, so if the fans want a chance on the Dodge they had better get their tickets now and be on the safe side.

GRANT TOWN PLAYS WORTHINGTON TODAY

This afternoon the Worthington American Legion baseball team will meet the Grant Town nine at South Side Park, the game to be called at 4:30 o'clock sharp. The Legion team was to play the Normal team this afternoon, but owing to the fact that the Normal was booked to play at Salem on last night, the Worthington manager got busy and booked the Grant Town team to fill the date.

The game this afternoon should prove to be a real battle as both teams are about evenly matched. Horsecamp will likely pitch for the Grant Town while "Rubbles" Criss or Byard will be sent to the mound for the Legion.

A good crowd is expected out to see the battle.

PROTESTANTS DESTITUTE.

LONDONBERRY, May 24.—Numerous protestant families which have left their homes in the Carrigans district, Free State territory, have arrived here and in part of the northern area where they are being provided with temporary accommodations while a relief campaign is being started.

EIGHT-HOUR DAY PLAN EXTENDED

Survey of Steel Industry Shows Twelve-Hour Day Workers-Decreasing.

WASHINGTON, May 24.—A report on changes in the hours of labor in the iron and steel industry of the country during the ten years ending 1920, made public today by the Bureau of Labor Statistics of the Department of Labor shows that in the blast furnace production occupations the number of employees working seven days of twelve hours each had decreased from 75 per cent to 29 per cent. In 1920, however, 11 per cent of all blast furnace employees continue to work a twelve-hour day for six days a week, and 23 per cent for six and seven days alternately, the report showed, making a total of 63 per cent working the twelve-hour day for seven or six days.

Introduction of the eight-hour day had been extended in 1920 to 17 per cent of the employees, working seven days a week, and to 1 per cent working six days, in this branch of the industry.

In the steel making departments among the Bessemer converting employees, over 75 per cent were still working the twelve hour day either six or seven days per week in 1920, with 22 per cent on eight hour shifts, while of the open hearth furnace employed about 50 per cent were still working the twelve hour day with 30 per cent on an eight hour basis. In rail mills, 60 per cent were still working more than 50 per cent; Bloomington mills about 60 per cent and Buddling Mills 20 per cent.

More than 2,000,000 girls under the age of 16 are employed in various occupations in the United States.

"What can Henry Ford do with Muscle Shoals?" will appear in this paper, Friday.
